The Inspector General of Police
in Mysore,

To

The Chief Secretary,
to the Government
of Mysore.

Sir,

I have the honor to forward herewith copy of letter No. 53 dated 3rd August 1893 from the Deputy Commissioner, Bangalore, and of its enclosure regarding the entertainment of a Special Police Establishment to watch and patrol the Western Extension of the Bangalore City

where

where several houses have been already built and are tenanted, and more are in course of construction. A case of attempted housebreaking on the night of the 18th ultimo has created a panic amongst the inhabi- tants of the place & upon their representation and under apprehensions of the locality otherwise becoming unpopular, I have been obliged, under strong necessity, to order the entertainment of the additional force as noted in the margin from the 26th Ultimo, in anticipation of the sanction of Govern- ment. I need hardly state that no Constables can be

1.	Sergeant 3rd Grade	10
6	Constables 1st class at Rs 8/- each	48

spared from the existing
strength of the City Police.
I beg, under the circumstances,
you will be so good as to lay
the matter before Government
and obtain their early sanction
to the increased Establishment,
the cost of which may be met
from the General Savings in
the Police Budget. A proposi-
tion Statement in the usual
form is herewith submitted.

From,

The Deputy-Commissioner

To. The Inspector General of Police

in Mysore.

Sir,

There was an attempt at house breaking reported in the Western Extension on the night of the 18th ultimo and the paucity of the Police told off for duty in that quarter of the City having been represented to you in person both by the Superintendent and the City Inspector, I understand that you were pleased to order verbally that an additional staff consisting of two officers and 6 Constables should at once be employed to meet the emergency, I have now the honor to report that having given the matter my careful consideration, I have in anticipation of sanction entertained the following men for the watch and ward of the western Extension as a temporary measure.

1. Head Constable 3rd grade on Rs.	16	— —
1. Sergeant — 3d grade —	10	— —
6. Constables 1st class @ 8 Rs. —	48	— —
Total Rs.	74	— —

I request that orders may be issued for the men to draw their pay from the date on which they were entertained. I have arranged that some of the deserving hands on Rs. 7/ in the City should receive the increased rate of pay and be posted to the Western Extension and that men who are newly enlisted be deputed for work within the City.

The monthly outlay may be met from savings under the different heads in the Budget allotments for the current year.

I

I shall at as early a date as possible, submit a scheme for placing the Police of the City and the District on a better footing and increasing the strength according to the requirements of the different localities.

A temporary shed is being erected in the western extension as directed for the men on duty there and a bill of the actual cost will be submitted for sanction on completion of the work.

Have &c.

Signed J. W. Knight.

Report

Referring to my Diaries dated 19th and 20th instant, reporting to the Deputy-Commissioner, the orders of the Inspector General of Police, regarding the new appointments of 2 officers and 6 Constables for the temporary station at the Western Extension, this officer was of opinion that instead of 2 Sergeants, one Head Constable, and one Sergeant may be employed. My former diaries will show the necessity and urgency of expediting the completion of this arrangement.

In carrying out the orders of the Deputy Commissioner, I beg to suggest that the following scale of pay for officers and men may be sanctioned, viz:—

1. Head Constable Rs. 16/-
1. Sergeant ——— " 10/-
6. Constables ——— " 8/- each = 48.

I also attach a list showing the present working strength, and

and the sanctioned strength of the City Police. 4

The reorganization of the Police Force proposed in the D. S. Police's letter No 1585 of 22-11-94 can only be disposed of when the revision of Police rules contemplated is made. The schedules of the Police are under circulation among the Councillors.

2. The small force of 8 men sanctioned temporarily for the City Western Extension in order No 9513-4 J823 of 17.12.93 may be continued till further orders, as the D. S. Police report that it cannot be reduced or dispensed with.

What has the Police reported to the Board of Revenue regarding it?

Owing to the Dewan's illness, the revision should be done systematically in each Dept. & not piecemeal in particular branches.

I think this affects the retention permanently of the temporary Establishment may be sanctioned

To

THE ~~CHIEF~~ General SECRETARY TO THE
GOVERNMENT OF MYSORE.

SIR,

With reference to Government Proceedings No. 9573-4/J.823 dated 17th December 1893, sanctioning the entertainment of a temporary establishment for the watch and patrol of the Western Extension of the Bangalore city and calling for a statement shewing how the city Police is distributed and enquiring whether any revision is practicable so as to absorb the additional strength newly sanctioned, I have the honor to forward the statement required, and to state after due enquiry that no revision is practicable ~~that~~ will bring about a reduction in the present strength. The Police force of the city is, on the other hand, as I have already brought to the notice of Government, under manned and the revision Scheme submitted to Government with my letter No. 1585/133 dated 22nd November 1894 (para 10) provides for an additional establishment of 5 Sergeants @ Rs. 12 and 50 Constables (20 on Rs. 8 and 30 on Rs. 7 per mensem) at a cost of Rs. 430/- per mensem in order to place the watch and patrol of the city on a satisfactory footing. I need not repeat the fact that the city is extending on all sides and is growing in importance and population, so that the Police strength has to be increased from time to time to meet its growing wants.
